

To whom it may concern,

It's my absolute pleasure to recommend Aviwe Ngqukumba for a position at your company.

Aviwe and I worked at DevDream Digital for 1 year during 2017.

I enjoyed working with Aviwe. He is honest, dependable and hard-working. Aviwe worked as a junior full stack software developer, providing value on some of the company's pivotal projects. Aviwe is a team player and endeavoured to assist other employees where possible. For 6 months Aviwe worked remotely, showing good self-management skills and discipline.

Without a doubt, I confidently recommend Aviwe Ngqukumba to join your team. As a dedicated and knowledgeable employee and all-around great person, I know that he will be a beneficial addition to your organisation.

Please feel free to contact me should you like to discuss Aviwe's experience further.

Best Wishes,
